

# CURRICULUM VITAE

(Last updated: 2022-12-14)  
Min-Ho Jung, DDS, MsD, PhD

## Education and Training

- 1988-1994      School of Dentistry, Seoul National University,  
SEOUL, KOREA  
Degree: D.D.S.
- 1995-1997      School of Dentistry, Seoul National University,  
SEOUL, KOREA  
Degree: MsD. in Orthodontics
- 1994-1997      Department of Orthodontics, School of Dentistry, Seoul National University,  
SEOUL, KOREA  
Resident training
- 2000-2001      Department of Orthodontics, School of Dentistry, Seoul National University,  
SEOUL, KOREA  
Fellowship program
- 2001            Dental Research Institute, Seoul National University,  
SEOUL, KOREA  
Research Fellow
- 2000-2003      Department of Orthodontics, School of Dentistry, Seoul National University,  
SEOUL, KOREA  
Degree: Ph.D

## Professional Experience

- 2002-Present      Director, HONORS Orthodontics
- 2005-2012      Adjunct Assistant Professor  
Seoul National University, School of Dentistry  
Department of Orthodontics
- 2013-2018      Adjunct Associate Professor  
Seoul National University, School of Dentistry  
Department of Orthodontics

2019-present	Clinical Professor Seoul National University, School of Dentistry Department of Orthodontics
2006-2016	Clinical Professor Samsung Medical Dental Center , Sungkyunkwan University Department of Orthodontics
2010-present	Clinical Professor Kyung Hee University, School of Dentistry Department of Orthodontics
2010-2019	Clinical Professor Hallym University Sacred Heart Hospital Department of Orthodontics
2010-present	Clinical Professor Catholic University, Department of Orthodontics

#### **Editorial or reviewing positions**

2006-present	Reviewing Board – Korean Journal of Orthodontics
2009-2015	Editor – Journal of Korean Foundation for Gnatho-Orthodontic Research
2010-present	Reviewing Board – Angle Orthodontist
2010-present	Reviewing Board – European Journal of Orthodontics
2012-present	Reviewing Board – Journal of World Federation of Orthodontists
2017-present	Reviewing Board – American Journal Orthodontics and Dentofacial Orthopedics
2015-present	Editorial Board - Angle Orthodontist
2019-present	Reviewing Board – Orthodontics and Craniofacial Research
2019-present	Reviewing Board – Clinical Journal of Korean Association of Orthodontists
2020-present	Reviewing Board – Journal of Orofacial Orthopedics
2021-present	Reviewing Board – American Journal Orthodontics and Dentofacial Orthopedics Clinical Companion
2022-present	Editorial Board – Clinical Journal of Korean Association of Orthodontists

#### **Publications (\* corresponding author)**

1. Min-Ho Jung, Won-Sik Yang.\* Causative factors and predictability of arch length discrepancy. Korean J Orthod 1997;27:457-71
2. Min-Ho Jung, Won-Sik Yang, Dong-Seok Nahm.\* Effects of upper lip closing force on craniofacial structures. Am J Orthod Dentofac Orthop 2003;123:58-63.

3. Min-Ho Jung.\* Direct bonding with composite resin; review. J Kor Found Gnatho Res. 2005;7:61-117
4. Min-Ho Jung.\* Effects of malocclusion and orthodontic treatment on the self-esteem of adolescents. Korean J Orthod 2007;37:56-64
5. Min-Ho Jung.\* Limitation and side effects of orthodontic treatment using TAD. J Kor Found Gnatho Res. 2007;8:125-148
6. Min-Ho Jung,\* Tae-Woo Kim. Biomechanical considerations in treatment with miniscrew anchorage. Part I. The Sagittal plane. J Clin Orthod 2008;42:79-83
7. Min-Ho Jung,\* Tae-Woo Kim. Biomechanical considerations in treatment with miniscrew anchorage. Part II. The Horizontal and transverse plane. J Clin Orthod 2008;42:144-148
8. Min-Ho Jung,\* Tae-Woo Kim. Biomechanical considerations in treatment with miniscrew anchorage. Part III. Clinical cases. J Clin Orthod 2008;42:329-337

12. Min-Ho Jung.\* Treatment timing of Class II malocclusion : Evidence based approach. J Kor Found Gnatho Res. 2009;9:95-112
13. Min-Ho Jung.\* Class II treatment with Fixed functional appliance. J Kor Found Gnatho Res. 2009;9:149-173
14. Min-Ho Jung,\* Won-Sik Yang, Dong-Seok Nahm. Maximum closing force of mentolabial muscles and type of malocclusion. Angle Orthod. 2010;80:72-9
15. Min-Ho Jung, Shin-Hye Chung, Won-Jun Shon.\* Shear bond strength between gold alloy and orthodontic metal bracket using light emitting diode (LED) curing light. Korean J Orthod. 2010;40:27-33
16. Min-Ho Jung.\* Class II treatment: When and how. Part 1. Treatment timing of Class II malocclusion. Korean J Clin Orthod 2010;9(50):56-81
17. Min-Ho Jung.\* Evaluation of the effects of malocclusion and orthodontic treatment on the self-esteem in an adolescent population. Am J Orthod Dentofac Orthop 2010;138:160-6
18. Min-Ho Jung.\* Class II treatment: When and how. Part 2. Treatment effects of Class II malocclusion (1). Korean J Clin Orthod 2010;9(51):40-61
19. Min-Ho Jung.\* Class II treatment: When and how. Part 3. Treatment effects of Class II malocclusion (2). Korean J Clin Orthod 2010;9(52):46-63
20. Min-Ho Jung.\* Class II treatment: When and how. Part 4. Treatment methods of Class II malocclusion (1). Korean J Clin Orthod 2011;10(53):18-38
21. Min-Ho Jung.\* Treatment of severe scissor-bite in a middle-aged adult patient with orthodontic mini-implants. Am J Orthod Dentofac Orthop 2011;139:S154-65
22. Min-Ho Jung.\* Class II treatment: When and how. Part 5. Treatment methods of Class II malocclusion (2). Korean J Clin Orthod 2011;10(54):16-39
23. Won-Jun Shon, Tae-Woo Kim, Shin-Hye Chung, Min-Ho Jung.\* The effects of primer precuring on the shear bond strength between gold alloy surfaces and metal brackets. Eur J Orthod 2012;34:72-6
24. Min-Ho Jung.\* Class II treatment with 2 jaw surgery. J Kor Found Gnatho Res 2011;10:103-19
25. Min-Ho Jung.\* Age, extraction rate and jaw surgery rate of Korean orthodontic patients in private practices and small dental hospitals. Korean J Orthod 2012;42:80-6
26. Un-Bong Baik,\* Youn-Sic Chun, Min-Ho Jung, Junji Sugawara. The protraction of mandibular second and third molars into missing first molar spaces for an anterior open bite patient with anterior spacing. Am J Orthod Dentofac Orthop 2012;141:783-95.

27. Min-Ho Jung, Un-Bong Baik, Sug-Joon Ahn.\* Treatment of anterior open bite and multiple missing teeth with lingual fixed appliance, double jaw surgery, and dental implants. *Am J Orthod Dentofac Orthop* 2013;143:S125-36
28. Young-Seok Park, Min-Ho Jung, Won-Jun Shon.\* Autotransplantation of the mandibular second premolar to its normal position. *Am J Orthod Dentofac Orthop* 2013;143:274-80
29. Min-Ho Jung.\* Minor considerations in jaw surgery. *Dental Success* 2012;32:827-39
30. Min-Ho Jung.\* A comparison of second premolar extraction and mini-implant total arch distalization with interproximal stripping. *Angle Orthod* 2013;83:680-5
31. Min-Ho Jung,\* Won-Jun Shon, Young-Seok Park, Shin-Hye Chung. The effects of silanation time on shear bond strength between gold alloy surface and metal bracket. *Korean J Orthod* 2013;43:127-33
32. Un-Bong Baik, Mohamed Bayome, Kwang-Heung Han, Jae Hyun Park, Min-Ho Jung, Yoon-Ah Kook.\* Evaluation of factors affecting the success rate of orthodontic mini-implants by survival analysis. *World J Stomatol* 2013;2:56-61
33. Min-Ho Jung.\* The limits of nonextraction treatment. *J Korean Found Gnath Ortho Res* 2013;11:81-92
34. Min-Ho Jung.\* Survival analysis of brackets and tubes: A twelve-month assessment. *Angle Orthod* 2014;84:1034-40
35. Hong-Kyun Kim, Ho Beom Kwon, Hong-Keun Hyun, Min-Ho Jung, Seong Ho Han, Young-Seok Park.\* Submorphotypes of maxillary first molar and their effects on alignment and rotation. *Am J Orthod Dentofac Orthop* 2014;146:286-93
36. Min-Ho Jung.\* An evaluation of self-esteem and quality of life in orthodontic patients: Effects of crowding and protrusion. *Angle Orthod* 2015;85:812-9
37. Min-Ho Jung.\* Effective mechanics for vertical control with the Forsus Fatigue Resistance Device. *J Clin Orthod* 2015;49:378-87
38. Min-Ho Jung.\* The Forsus Fatigue Resistance Device in premolar-extraction treatment. *J Clin Orthod* 2015;49:533-537
39. Min-Ho Jung.\* How good are you? : Clinical examination of Korean Association of Orthodontists. *Clin J Korean Assoc Orthod* 2015;5:255-259
40. Min-Ho Jung.\* Unfamiliar extraction: what should we consider. *J Korean Found Gnath Ortho Res* 2015;12:47-58
41. Min-Ho Jung.\* Quality of life and self-esteem in female orthognathic surgery patients. *J Oral Maxillofac Surg* 2016;74:1240 e1-7
42. Min-Ho Jung.\* Fixed functional appliance treatment combined with growth hormone therapy. *Am J Orthod Dentofac Orthop* 2017;152:402-12
43. Min-Ho Jung, Pressuredontics: new tool for minor tooth movement. *J Korean Found Gnath Ortho Res* 2017;13:33-50
44. Min-Ho Jung.\* Asymmetric extraction in a patient with a hopeless maxillary central incisor, followed by treatment with mini-implant anchorage. *Am J Orthod Dentofac Orthop* 2018;153:716-29
45. Hae Won Choi, Young Seok Park, Shin Hye Chung, Min Ho Jung, Won Moon, Sang Hoon Rhee. Comparison of mechanical and biological properties of zirconia and titanium alloy orthodontic micro-implants. *Korean J Orthod* 2017;47:229-37
46. Min-Ho Jung. Vertical control of a Class II deepbite malocclusion with the use of orthodontic mini-implants. *Am J Orthod Dentofac Orthop* 2019;155:264-75
47. Min-Ho Jung. Total arch distalization with interproximal stripping in a severe crowding patient. *Korean J Orthod* 2019;49:194-201
48. Min-Ho Jung. Nonextraction treatment in severe crowding; Is it possible? *J Korean Dent Assoc* 2019;57:326-32
49. Min-Ho Jung. Occlusal plane rotation by molar protraction using orthodontic mini-implant. *Clin J Korean Assoc Orthod* 2019;9:83-96
50. Min-Ho Jung, Treatment of malocclusion patients with periodontal disease. *J Korean Found Gnath Ortho Res* 2019;14:117-27

51. Min-Ho Jung, Treatment of facial asymmetry and severe midline deviation with orthodontic mini-implant. *Am J Orthod Dentofac Orthop* 2021;160:312-24
52. Min-Ho Jung, Factors influencing treatment efficiency: A prospective cohort study. *Angle Orthod* 2021;91:1-8
53. Min-Ho Jung. Treatment of Class II malocclusion with scissors bite and missing bilateral mandibular first molars. *Clin J Korean Assoc Orthod* 2020;10:166-76
54. Min-Ho Jung. Effects of self-ligating bracket and other factors influencing orthodontic treatment outcome: A prospective cohort study. *Korean J Orthod* 2021;51:397-406
55. Min-Ho Jung. Extraction decision and anchorage consideration for fixed functional appliance treatment. *Clin J Korean Assoc Orthod* 2022;12:27-35
56. Min-Ho Jung. Treatment of Protrusive profile: A new perspective. *J Korean Foundation Gnath Ortho Res.* 2021;15:39-51
